Dear Mr. Casey:

In June I sent a letter to over 1,600 chief executive officers of the nation's largest high technology firms describing the problem of illegal exportation of critical technology, and what we at Customs are doing about it through "Operation Exodus."

To further assist the export community, and to solicit their support, I have sent a follow-up letter outlining various ways they can facilitate smooth and rapid clearance of legitimate export shipments.

I enclose a copy of the follow-up letter for your convenience.

Yours faithfully,

A handwritten signature in dark ink, appearing to read "Will - Casey", with a stylized flourish at the end.

William J. Casey
